

HOSPITAL TEACHING CONDITIONS OF SERVICE

*To be completed by staff from hospital in which SSEN:MMH do not have a permanent presence
Ongoing access to hospital visits is subject to regular review in accordance with written medical advice.*

PARENTS/CARERS

- Inform the teacher of any factors affecting their child's capacity to participate in the education program.
- Facilitate learning opportunity by ensuring minimal distractions such as television, stereo noise, visitors, other children etc.
- Assist in implementing the education program as required.
- Sign a Consent Form to authorise the release of all documentation relevant to your child's educational needs from the enrolled school, Regional Office and any other agencies involved.

HOSPITAL STAFF

- Provide a safe environment for the teacher to work in.
- Assist in access to internet as required.
- Assist in storage and movement of resources around the hospital.

TEACHERS

- Understand and are sensitive to the individual needs of the student.
- Work in partnership with parents/carers in implementing the education program.
- Liaise and collaborate with the coordinating teacher & other agencies involved as necessary.
- Give parents/carers as much notice as possible of changing bookings or visit cancellations.
- Assist with re-entry to school as necessary.
- Act professionally and respect family privacy.
