

## **In Focus Careers Late News**

### **FYA Event**

**Please join The Foundation for Young Australians (FYA) for a briefing and discussion on our [New Work Smarts](#) report.**

Over the past 2 years the FYA has built an evidence base around what the future of work will look like and the skills young people will need to navigate and thrive through our New Work Order Report Series.

Presented by FYA CEO Jan Owen AM, the next installment in the series builds on this narrative to reveal what it will mean to be 'smart' in the future.

Keen to be part of the conversation? Join us in [Perth on September 13](#).

### **Pinnacle Foundation Scholarship open to students at school**

Applications for the 2018 Pinnacle Foundation Scholarships are now open. Our scholarships offer disadvantaged LGBT+ students up to \$5,000 to help with high school, uni or TAFE studies.

#### **How to apply**

1. Read the [selection criteria](#)
2. Choose between a [Pinnacle and Special Scholarship](#)
3. Register and complete the [online application form](#)

Applications close **1 October 2018**.

For application questions please read the [FAQs](#) or email us at [applications@thepinnaclefoundation.org](mailto:applications@thepinnaclefoundation.org).

### **Hofmann Engineering Apprenticeships**

Last year I raved about Hofmann Engineering after doing a site tour and meeting the Hofmann family. These apprenticeships are like gold. Encourage your high achieving kids who want an apprenticeship to apply.
